Corrigendum

Original citation *JCI Insight*. 2020;5(1):e121781. <https://doi.org/10.1172/jci.insight.121781> Citation for this corrigendum: *JCI Insight*. 2024;9(3):e178762. <https://doi.org/10.1172/jci.insight.178762> The authors became aware that the STAT3 and β -actin blots presented in Figure 4F appear to be the same. After review of the original data, the β -actin blot was determined to be incorrect due to an inadvertent error when assembling the final figure. The correct images were present in the original unedited blot and gel image document. The correct version of Figure 4F is shown below, and the HTML and PDF versions have been updated online. The Supplemental Data file has also been updated to correct an alignment issue in Supplemental Figure 7. The authors regret the error. Supplementary Material Supplemental data
